Directorate of Intelligence

- In response to queries by the DDCI, OSWR/TTAC met with NASA officials to discuss NASA procedures for protecting research work and technology. One conclusion reached during the discussion was that NASA's researchers, who seek the widest possible dissemination of their research work, needed to be made more aware of the Soviet S&T acquisition program in general, and Soviet targeting of NASA in particular. TTAC volunteered to support a NASA awareness program, and the offer was accepted.
- ALA completed a chronology requested by Senator Moynihan on Arms Flow Into El Salvador and responded to questions requested by Senator Leahy of the SSCI on Nicaragua.
- ACIS will prepare a briefing for the President about ASAT issues in late August/early September.

MEMORANDUM FOR: Director of Central Intelligence

FROM: Harry E. Fitzwater  
Deputy Director for Administration

SUBJECT: Weekly Report for Period Ending 27 July 1984

1. Progress reports on tasks assigned by the DCI/DDCI:  
None.

2. Items/events of interest:

a. The Director of Medical Services met with representatives of [ ] regarding Federal Radiation Guidelines. This company has been contracted by the Environmental Protection Agency (EPA) to conduct a survey to determine whether federal agencies are in compliance with radiation guidelines. Our contact with the company was arranged by EPA.

25X1

b. The Safety Staff conducted a five-day basic safety and health course [ ] especially designed for deaf employees, for nine Agency deaf personnel.

25X1

25X1

e. The Office of Personnel continues to monitor closely the GSA action in implementing the provisions of the Warner-Wolf Domestic Relocation allowance legislation. Details relating to tax reimbursements and contracting with relocation firms are

25X1

issues still being worked on. Action cannot be taken by the Agency until GSA regulations are published. We will continue our close contact with GSA, OMB, and IRS on these two specific items of interest to our employees, and will advise our employees as soon as new information is received.

f. The Office of Training and Education initiated a new one-week Military Analysis Survey course on 9 - 13 July. The course is designed to meet the need for a brief review of issues and problems of military analysis of concern to the DI supervisor who is not a specialist in this field. The initial response of students and faculty was favorable.

25X1

i. Office of Logistics representatives briefed DIA officers on CIA's procurement system and, in particular, source selection procedures. Additional assistance was offered to DIA when and if needed.

j. Quality of Life:

On 17 July, the rewallpapering of the first floor elevator cores in the Headquarters Building was completed. On 20 July, GSA began the removal of the damaged sections of the map [redacted] in the 1B elevator core. Four color groups have been identified for painting the lavatory stalls in the 85 public restrooms. Color selection was based on existing door and wall accent colors.

Deputy Director for Intelligence

SUBJECT: DDI Activity Report 23-27 July

**DCI/DDCI Assigned Tasks**

ALA provided briefing materials for the DCI's trip to Central America.

NESA provided briefing material on Iran-Iraq, and talking points on the Indo-Pakistan situation for the DCI.

In response to queries by the DDCI, OSWR/TTAC met with NASA officials to discuss NASA procedures for protecting research work and technology. One conclusion reached during the discussion was that NASA's researchers, who seek the widest possible dissemination of their research work, needed to be made more aware of the Soviet S&T acquisition program in general, and Soviet targeting of NASA in particular. TTAC volunteered its support of a NASA awareness program, and the offer was accepted.

**Of Special Interest This Week**

ALA completed a chronology requested by Senator Moynihan on Arms Flow Into El Salvador and responded to questions requested by Senator Leahy of the SSCI on Nicaragua.

25X1

NESA prepared a typescript on the Indo-Pakistan situation requested by RADM Poindexter, NSC.

OEA reviewed issues of interest with Ambassador Richard (Dixie) Walker, in town for consultations on Korea.

OGI met with Deputy Assistant Secretary Jean C. Bergaust, Bureau of International Organization Affairs, State Department to discuss Soviet penetration of Third World media and youth and women's groups.

OSWR briefed Vice President Bush on CW issues. Of special interest to him were topics related to the Iran-Iraq conflict and

25X1

OFFICE OF THE COMPTROLLER

WEEKLY REPORT FOR THE DCI

FY 1984

- A Comptroller's Meeting was held on 20 July 1984 to discuss the Agency's resource situation as of 30 June 1984. At the time of the meeting, the outcome of the supplemental appropriations request was not known, but it was decided to proceed with the fourth quarter unfunded requests rather than wait any longer.

[REDACTED]

D/Personnel expects that we will reach full strength by 30 September, but there may be an imbalance in the skills mix.

- As in the past, we met with the directorate plans/management staffs to make certain they understood the decisions made at the Comptroller Meeting. We also briefly discussed their ideas about the budget process because we are looking for ways to improve it and reduce the burden on the components.

FY 1985

- The Senate Appropriations Committee is scheduled for Subcommittee markup of the 1985 Defense Appropriations Bill beginning next Tuesday, 31 July. There is some uncertainty as to when the House Appropriations Committee will mark up, but it could well be next week.
- The HPSCI is scheduled to take up the 1985 Intelligence Authorization Bill next Thursday, 2 August.

FY 1986

- Directorate submissions for the Budget Estimates are due to the Office of the Comptroller on Wednesday, 1 August. We will review to ensure that they incorporate the Executive Director's decisions.
